A large, light gray number 6 is repeated in a grid pattern across the page. In the center, the word "six" is written in a large, bold font. The letters 's', 'i', and 'x' are outlined with dashed lines and arrows indicating the correct stroke order for writing each letter. The 's' starts at the top right and curves around. The 'i' is a vertical line with a dot above it. The 'x' is formed by two intersecting diagonal lines.
